

# Balance

## Neutral pH Floor Cleaner

### DESCRIPTION:

A low toxicity, low VOC, readily biodegradable, concentrated floor cleaner that is specially designed for everyday floor cleaning. It removes routine soils from all types of floors. Excellent for use in mop and bucket cleaning or automatic floor scrubbers. Neutral pH will not harm floor finishes. No rinsing required. May also be used as a light duty spray and wipe cleaner for multiple surfaces not harmed by water.

### DIRECTIONS:

This product must be diluted before use. See your supervisor or technical sales representative for instructions on dispenser use. Use unheated tap water when diluting product.

#### Damp Mopping:

Dispense diluted product into mop bucket. Dip mop into solution and wring out thoroughly. Mop floor in usual fashion, re-soaking mop and wringing regularly. If solution in bucket becomes dirty, discard and make up fresh solution.

#### Auto-scrubbing:

Dispense diluted product into auto-scrubber. Auto-scrub all flooring using overlapping passes. Dispense, agitate, and pick up the solution.
