

Clarity

Ultra-Concentrated Glass Cleaner

DESCRIPTION

An ultra-concentrated, Ammonia-free, non-streaking, non-smearing, quick drying product that cleans and shines glass, mirrors, sinks, countertops, stainless steel, and other washable surfaces. Can also be used as a light-duty cleaner on all surfaces not harmed by water.

DIRECTIONS

This product must be diluted before use. See your supervisor or technical sales representative for instructions on dispenser use. Use unheated tap water when diluting product.

Dispense diluted product into properly labeled spray bottle. Apply a fine mist with an atomizing sprayer to surface. Dry and polish with a soft microfiber cloth. Best results can be obtained by using two microfiber cloths. One for drying and one for polishing.
