

Enhance

Ultra Concentrated Floor Stripper

DESCRIPTION

A low odor, ultra-concentrated (1:20), high-powered stripper that rapidly penetrates and strips off floor finish. A powerful solvent combined with amines penetrates and removes multiple coats of floor finish with minimum labor. This low odor formula is ideal for use in areas where odors are a concern. This high productivity floor stripper removes floor finishes completely with one pass and requires no neutralizer. This unique formula provides the lowest end-use cost per gallon due to its ultra-concentration.

DO NOT USE THIS PRODUCT ON WOOD FLOORS OR PAINTED SURFACES.

DIRECTIONS

This product must be diluted before use. See your supervisor or technical sales representative for instructions on dispenser use.

Sweep or dust mop the floor to remove any debris. Dispense diluted product into mop bucket or automatic scrubber then apply the stripping solution liberally. Allow to stand for at least 3 - 5 minutes. Do not allow the stripper solution to dry. Be sure to completely cover floor to baseboards. Scrub with a rotary floor machine or automatic scrubber equipped with stripping pads. Pick up the solution and old finish with a wet vacuum, automatic scrubber, or clean mop. Rinse thoroughly with clean cold water.

NOTE: The product must be used only as directed due to its unique penetrating and liquefying ability. Do not use undiluted product. Do not dilute with hot water. Wet floor may become extremely slippery. Be sure to keep pedestrian traffic away from floor until thoroughly dry.

PRODUCT SPECIFICATIONS

Color:	Amber	Foam:	Very low
Odor:	Characteristic	Emulsification:	Excellent
pH(Conc):	12.0	Ammonia Content:	None
pH (RTU):	11.0 – 11.5	Phosphate Content:	None
Fixed Dilution:	Fixed	Solubility:	Complete with water
(16 gallons RTU per bottle)		Flashpoint:	>200° F (TCC)
Ounces per Gallon:	6.4	Storage/Stability:	1 year
Gallon yield/bottle:	13	Weight Per Gallon:	8.45 lbs./gal.
Viscosity:	Water thin	Freeze/Thaw Stability:	Keep from freezing
