

A mildly abrasive, highly effective liquid scouring compound for cleaning sinks, tubs, shower stalls, wall tile, drain boards, toilets, water fountains, stoves, appliances, swimming pools, etc. Contains no acid and will not scratch. Safe to use on porcelain, ceramics, enamelware, stainless steel, chrome, aluminum, brass and other metals.

Quickly and effortlessly removes soap film, grease, stubborn scuff marks, rubber burns, rust stains, etc. Easy to use, easy to rinse and leaves no powdery film.

DIRECTIONS FOR USE:

Squeeze a few drops onto a cloth or sponge, or directly on surface to be cleaned.
 Rub soiled area lightly. Wipe off with a damp cloth or sponge.
