

# Optizyme P

## Powdered Laundry Detergent with Enzymes & Brighteners

Product Number 4652

### Description

A mild, powdered laundry detergent fortified with enzymes and color-safe destainers. Provides superior results on shirts. Helps reduce operating costs with use of lower water temperatures, reduced load times, reduced inventory of similar products, reduced spotting and less claims for damaged shirts. This mild formula extends the life of shirts and is effective in a wide range of water conditions and temperatures. Requires less sour.

### Directions

**TOP LOADING MACHINES:** Use 6-8 ounces per load. Best if used with warm or hot water.

**COMMERCIAL MACHINES:** For rags, shirts, table linens and bedding, use 6-8 ounces per 50 pounds of laundry. Best if used with warm or hot water.

**SOAKING:** Mix 2-4 ounces of Optizyme P per gallon of hot water into a plastic tub. Place items to be soaked into tub and allow soaking for at least 4 hours. When finished soaking, wring excess water from linens and wash as usual.
