• Concentrated • Leaves Area Smelling Fresh • Neutralizes Foul Odors

## PRAIRIE KLEAN ODOR ELIMINATOR CAPS HERBAL

**MIST** is a true odor counteractant, in pure, undiluted form that has been encapsulated in millions of micro-cells and molded into compact holders with self-stick adhesive backing. The aerodynamic shape and capillary action work around the clock bringing a proven odor counteractant to the surface of the cells, and steadily and uniformly releases it to neutralize malodors. Eliminates foul odors from bacterial growth, oxidation reduction, chemicals, etc., yet will not erase pleasant odors or safety odors.

### DIRECTIONS FOR USE:

Erases malodors from bacterial growth, oxidation reduction, chemicals, paints, solvents, fire, smoke, sickness, incontinence, etc., in hospitals, nursing homes, hotels, motels, schools, clubs, restaurants, offices, laboratories, kennels, airplanes, automobiles, homes, etc.
