

# Fire Ball

## Super Duty Degreaser

### DESCRIPTION

Formulated using MicroEmulsion 3G Technology. Super Duty Degreaser is a low toxicity, low VOC, readily biodegradable, micro-emulsion, highly concentrated cleaner/degreaser that is specially designed to address the environmental, safety and health concerns facing today's housekeeping professional. The formulated blend of ingredients combine to lift and emulsify soils, fats, oils and greases without the use of solvents. Can be used to clean most hard surfaces such as walls, tile and grout, food processing and service areas.

### DIRECTIONS

This product must be diluted before use. See your supervisor or technical sales representative for instructions on dispenser use. Use unheated tap water when diluting product.

Dispense diluted product into spray bottle, mop bucket, or automatic scrubber then apply by mop, sprayer, sponge or automatic scrubber to soiled surface. Allow to stand for 4 – 5 minutes. For heavier soil, agitate briskly with a brush or aggressive pad. For normal soil, allow the product to do the work. Wipe clean with a moist rag, sponge or pick up with a wet-vac or mop. Where applicable, rinse thoroughly with water.

### PRODUCT SPECIFICATIONS

Color:	Purple	Rinsability:	Complete with water
Odor:	Citrus	Solvents:	None
pH: (Conc.)	10.5 - 11.5	Abrasives:	None
Recommended Dilution:	Fixed	Flash Point:	None
(51 gallons RTU per bottle)		Biodegradability:	Complete
Viscosity:	Water thin	Storage/Stability:	2 years
Foam:	Moderate	Weight per Gallon:	8.61 lbs/gal.
