

ACIDUFOAM CLEANER

Removes
• Soap Scum • Corrosion • Rust • Hard Water Deposits

PRAIRIEKLEAN ACIDUFOAM CLEANER is a powerful, non-abrasive cleaner that cleans with its foam and replaces cleansers that scratch and dull surfaces on which they are used. Unlike any other such product, **PrairieKlean Acidufoam Cleaner** contains a proven odor counteractant to eliminate foul odors and leave a clean, pleasant fragrance.

Dissolves and removes soap scum, body oil, hard water deposits, rust, corrosion and other stains on tile and fiberglass, shower walls, doors & floors, glass & plastic.

DIRECTIONS FOR USE:

Use as is, do not dilute, adjust spray head to deliver desired foam.

CLEANING:

1. Apply the solution liberally to the surface to be cleaned.
2. Allow to soak for a few minutes, but not to dry.
3. If needed, agitate stubborn areas with a stiff brush or scrub pad.
4. When surface is clean, switch gun to deliver clear water or otherwise rinse surface thoroughly.
5. Rinse equipment with clear water before storing.

NOTE: Do not use on polished marble floors, aluminum, or galvanized metal. Some older tubs, sinks and chrome may be discolored. Always test on a small, hidden spot before use.
