Eliminator

Enzyme Enriched Floor Cleaner & Deodorizer

This product is a high performance, bacterial-enriched floor cleaner, odor eliminator, and grease digester with a very pleasant potpourri scent. It is recommended for use in food service areas, schools, hotels, hospitals, restrooms, and shower rooms. No rinse is required. The unique chemistry provides bleaching action that brightens surfaces as it cleans and leaves surfaces sparkling clean with a pleasant scent. It is ideal for cleaning concrete, ceramic tile, quarry tile, grout, brick and rubber mats with floor machine or mopping. Inherent biological action continues to clean between regularly scheduled cleanings to help keep grease accumulations to minimum.

Caution: Do not mix or use this product with acid, alkaline, or product containing bleach. For use on floor only. Do not use on food contact surfaces.

DIRECTIONS

This product must be diluted before use. See your supervisor or technical sales representative for instructions on dispenser use.

Dispense diluted product into bottle, mop bucket, or automatic scrubber then apply product by mop, sponge, cloth or auto-scrubber on surfaces to be cleaned. Allow a few minutes of dwell time for the solution to penetrate the soil. If necessary, agitate to help remove excessive soils. Wipe dry with clean cloth or rinse thoroughly with clean water as needed.
